

**Fort Dearborn family camp
Reneker at Owasippe Scout Camp**

**Memorial Day Weekend
May 28 thru 30, 2010**

\$80 per cabin

Each cabin comfortably sleeps 4-5 people. There are two rooms with one bunk bed in each room, a sofa, electric stove with oven, and refrigerator. You must bring your own bedding, cooking and eating utensils, food and toiletries. Each cabin is responsible for cleaning the cabins when arriving and before leaving as well as helping to clean the toilet and laundry facilities before leaving on Monday

This weekend is for family fun as well as helping out our camp and cleaning things up before summer camp starts. We receive a good rate on these cabins for 3 days and 4 nights due to the service project of helping to clean up the area we are staying at and improving it if possible. Our district has been doing this service project weekend for many years and it has been very appreciated by the council.

For more information and registration please contact
